OF THE

Washington Street Nurseries,

GENEVA, N. Y.,

RESPECTFULLY INVITE YOUR ATTENTION TO THE ANNEXED

WHOLESALE PRICE LIST,

FOR THE AUTUMN OF 1865 AND SPRING OF 1866.

The past season having been most favorable for the growth of Nursery Stock, our Trees, Plants and Vines, are very healthy and fine. We continue to receive the most gratifying testimony to the satisfaction the Trees have given transplanted from our strong, heavy soil.

We cultivate all the leading varieties of Fruits, such as have proved valuable for market or family use.

We solicit your early order and assure you that we will use every exertion to give satisfaction in the selection of stock.

Our facilities for packing and shipping are unsurpassed. All articles will be carefully dug and packed in the best manner in boxes or bales, (according to directions,) with plenty of moss, for which a charge will be made sufficient only to cover cost, and delivered free of charge at Railroad, Steamboat or Express, after which, they will be at the risk of the purchaser. We usually commence digging the last week in September, and fill all orders as received in rotation.

Terms Cash, or satisfactory Note, payable at Bank of Geneva.

Address all orders or letters of inquiry,

B. G. & S.,

Washington St. Nurseries,
